

A **conference** to PROMOTE, PROCLAIM, and PONDER the Catholic vision of reproductive health care

Are you a Doctor? Educator? Director? Priest? Deacon? Religious? *FertilityCare* Provider? Man? Woman?

Strengthen your community, your parish, your co-workers, your patients, your **FertilityCare** Center, and your family who are waiting on you to spread the good news!

Why is this important for YOU?

In an age where the **BIRTH CONTROL PILL** is available to girls of any age as a “solution” to real medical issues, where **IVF** is the standard protocol for infertility, and where the dignity of the human person and the family unit is being **DEGRADED**...

The LOVE and LIFE Unlimited Conference will equip you with **KNOWLEDGE** about true moral solutions and articulate the **TRUTH** on matters of marriage, procreation, sexuality, **DIGNITY** of the human person, and a genuine freedom to love.

For the Study of Human
Reproduction
